THE ACCIDENT

INSURANCE COMPANY OF CANADA.

HEAD OFFICE, 260 ST. JAMES STREET,
MONTREAL.

President: SIR A. T. GALT, G.C.M.G.

Vice-President: JOHN RANKIN, Esq.

THE ACCIDENT is the only Purely Accident Insurance Company in Canada; its business is more than twice that transacted by all the other Canadian Companies combined; it has never contested a claim at law, and is THE ONLY CANADIAN COMPANY which has made the SPECIAL DEPOSIT WITH GOVERNMENT for the transaction of Accident Insurance in the Dominion.

IMPORTANT TO MERCHANTS AND OTHERS TRAVELLING.

The Permits of this Company cover both FATAL and
NON-FATAL Injuries received in EUROPE, or
ON BOARD SHIP crossing the Atlantic.

Accident Insurance commends itself especially to Merchants and Business Firms as a necessary form of insurance on the partners and heads of departments. An accident befalling either of them may be of material moment to the house. Bad health and declining years can be seen advancing, and may be provided against; but sudden calamity cannot be discounted, and the sudden loss of a valuable member of the firm may be of vital financial importance—whereas, if the firm have made it a charge on their books to provide against this by Insurance against Accident, such a disaster is materially averted, and the trifling cost of the provision can never be laid at the door of injudicious or extravagant expenditure, any more than for Fire Insurance (without which a firm would be held highly imprudent,) but, on the contrary, would not fail to be regarded by creditors as an evidence of prudence and forethought. In many cases of this kind, the Indemnity for temporary injury may not be desired. In that case, a Merchant or partner in a firm can, by the payment of only \$30 a year, be insured in this Company for \$10,000 in favor of that Firm, in the event of his being so accidentally injured as to cause death Within Three Months therefrom, and still be entitled to the Bonus of one year's insurance free, after every fifth year, or should it be preferred to forego the bonus, the premium would then be \$25 a year for \$10,000. Smaller sums insured will be charged *pro rata*. No prudent firm should disregard this.

The following table, constructed upon philosophical considerations on the attractions of the sun and moon in their several positions respecting the earth, and confirmed by experience of many years actual observation, furnishes the observer without further trouble, with the knowledge of what kind of weather there is the greatest possibility of succeeding, and that so near the truth, that in very few instances will it be found to fail.

PATENTS

In connection with the publication of the **SCIENTIFIC AMERICAN**, we continue to act as Solicitors for Patents, Caveats, Trade Marks, Copyrights, etc., for the United States, Canada, Cuba, England, France, Germany, etc. We have had **thirty-five years experience**.

Patents obtained through us are noticed in the **SCIENTIFIC AMERICAN**. This large and splendid illustrated Weekly paper, \$3.20 a year, shows the progress of science, is very interesting, and has an enormous circulation.

Can I obtain a Patent? The quickest and best way to obtain a satisfactory answer, without expense, is to write us (Munn & Co.), describing the invention, with a small sketch. All we need is to get the *idea*. We will immediately answer, and give the necessary instructions. For this advice we make *no charge*. We also send *free* our Hand Book about the Patent Laws, Patents, Caveats, Trade Marks, their costs, and how procured, with hints for procuring advances on inventions.

CONFEDERATION LIFE ASSOCIATION OF CANADA.

Capital - - - - - \$500,000.

Head Office for Province of Quebec:
110 St. Francois Xavier Street, Montreal.

The attention of intending Assurers is called to the advantages specially offered by this Association.

POLICIES INDISPUTABLE AFTER THREE YEARS.

LIBERAL CONDITIONS as to RESIDENCE and TRAVEL, LIBERAL and JUST mode of Distribution of Profits, affording persons insured on the LIMITED payment and ENDOWMENT plans an INCREASED and EQUITABLE share over the ORDINARY LIFE.

The following will illustrate the profits in the different classes of policies. In giving these examples to the public it should be stated that they are based on a material modification of what has been done in the past, and on less than what has been actually paid to the policy-holders generally. That the directors have acted wisely in this will at once occur to every thoughtful person in view of an almost certain fall in the rate of interest in first-class investments.

EXAMPLES:—Age at Issue, 35; Amount of Policy, \$5,000.

These profit results commend the *justness* of the Association's system of distribution, and place them in favorable comparison with profit results in other companies.

The surplus in this Association is ascertained from an actual balance at the close of each year.

Absolute safety combined with the greatest possible liberality.

SAVORY & MOORE'S BEST FOOD FOR INFANTS

As Supplied to the Royal Nurseries.

The most perfect substitute for Mother's Milk. The highest amount of Nourishment in the most Digestible and Convenient form. The only Food Specially Prepared for Infants. "The Adult cannot thrive on the Milk provided for the Infant, while the food adapted for Adults must be too strong for Babes." Abounding in Flesh-forming and Bone-forming substances, this Food perfectly fulfils its object, whereas other so-called Foods, such as Corn Flours, being entirely devoid of nourishing properties, induce a rickety and idiotic condition. It is also carefully freed from the ground husks of the wheat, which cause irritation of the bowels, diarrhoea, &c.

CAUTION.—A Genuine Food should not contain an excess of sugar, nor be too palpably sweet. Such Foods may be palatable, but they are also pernicious. For this reason so-called Milk Foods, Condensed Milks, &c., are prejudicial to the health of Infants, from the large proportion of beet sugar they contain, rendering them utterly unlike the article they are supposed to represent, viz., **MOTHER'S MILK.** Tins, 1s., 2s., 5s., 10s.

ASTHMA, DIFFICULT BREATHING. &c., *Datura Tatula* Inhalations afford the most prompt and effectual relief. Spasmodic Asthma as well as the milder forms of the disease, and other complaints attended with short and difficult breathing, loss of rest, &c., quickly yield to the soothing influence of the fumes of *Datura Tatula*, and painful paroxysms are either averted or quickly subdued by its use in either of the following forms:—Cigars and Cigarettes—Boxes, 3s. 8s., 15s. Pastiles and Powder (For non-smoker's use)—Boxes, 2s. 6d. 5s. 10s.. For use as tobacco—Tins, 2s. 6d., 5s., 10s., 15s.

A SPECIAL FORM OF NUTRIMENT IN CONSUMPTION. and where there is a tendency to other Wasting and Debilitating Diseases, attendant with a loss of power to digest and assimilate Food, **PANCREATIC EMULSION** or Medicinal Food restores Digestive Power, Appetite, Strength and weight, by supplying the system with the solid form of nourishment required, Pancreatic Emulsion, is infinitely more efficacious than fluid fats—such as Cod Liver Oil and Oily Emulsions of any kind—while it has also the advantage of being pleasant to the taste, and not disagreeing with the delicate stomachs of Invalids or Children.

Prescribed by the leading Physicians in the United Kingdom, America, India and the Colonies. Bottles 2s. 6d., 4s. 6d., & 8s. each.
CHOLERA, DIARRHŒA, DYSENTERY, &c. JEREMIE'S SEDATIVE AND ANTI SPASMODIC

is held in the highest repute, especially in India where it was introduced by an experienced officer of the opium department about 56 years ago. It is acknowledged to be a most valuable remedy for diminishing **NERVOUS EXCITEMENT**, **ALLAYING PAIN**, Procuring Tranquility and Repose without the unpleasant symptoms and objections which attend the employment of other Sedatives.—Dr. Jackson, Apothecary General, Calcutta.

"I have constantly used it, and always with the most favorable results."—Civil Surgeon Wynne, Patna.

"It affords me great pleasure and satisfaction to bear testimony to the efficiency of **JEREMIE'S Sedative** in Cholera, in no instance have I met with a failure of recovery."

From Sir **CHARLES D'OYLEY**, Bart;—"JEREMIE'S SEDATIVE was frequently administered to me by Dr. King, and always completely soothed the pain, leaving no bad effects; it has, indeed saved my life more than once."

**ABSTRACT OF
ASSIGNMENT AND COLLECTION LAWS
IN DOMINION OF CANADA,**

ONTARIO.

ARREST AND IMPRISONMENT FOR DEBT.—Imprisonment for debt is not allowed in Ontario, but in case a creditor can make an affidavit that he has a cause of action to the amount of \$100 and upwards, or that he has sustained damage to that amount; and also, by affidavit, show facts and circumstances to satisfy a judge that there is reasonable and probable cause that debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the debtor may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in the order. The writ of Capias so issued is the commencement of the action.

ASSIGNMENTS.—No trader can make a voluntary assignment preferring certain creditors; any such assignment can be set aside as fraudulent, and under certain circumstances the debtor by such a preferential assignment may make himself liable criminally.

ATTACHMENTS.—Attachments only issue in case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed to their own use and benefit of real and personal property, credits, or effects not exempt by law from seizure. All other actions are commenced by ordinary writ of summons.

BILL OF EXCHANGE AND PROMISSORY NOTES.—These are governed by commercial law as to days of grace, protest and notice, the Ontario Statute not varying materially in this respect. Notes do not bear Interest, unless expressed on the face, until after maturity, from which period, however, the legal rate—six per cent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, "with interest at the rate of—," the words "until paid" are added, the "named" rate can be collected till date of payment of note, otherwise without these words (or others of similar import), the expressed rate only during period of currency, and legal rate from maturity till payment, can be collected. Notes must also have bill stamps affixed at the rate of three cents for every \$100 in amount. For every fractional amount over the even hundreds another three cent stamp must be affixed. These must be affixed at time of making, and obliterated by writing thereon date of month and year. An innocent holder getting an unstamped note may affix double stamps, but must write thereon actual date of affixing, and his initials. The note is then valid.

COMMISSIONS.—Commissions can issue from all courts of record, and upon a proper application in a suit in the division court. a commission will be directed to issue from the county court, to take the evidence to be used in the division court. The costs of the commission will be allowed to the successful party.

CONTRACTS OF MARRIED WOMEN.—Married women may contract and are liable on contracts to the same extent as "femmes sole," but such contracts must be made on faith of, and credit of her separate estate, and she must possess separate estate at time of contract and at time of judgment. She may make notes and is liable thereon subject to above qualifications.

CHATTEL MORTGAGES.—Must be filed within five days of their being executed, and are only valid for a year from date, but may be renewed from year to year; such a renewal must be made within thirty days before expiration of year, and filed also. Chattel mortgages are filed in the county clerk's office of the county in which the goods mortgaged are situate.

EXECUTION.—Executions can issue on judgments by default in eight days after last days for appearance, or seventeen days from date of service of writ. In cases going to trial, execution does not issue until the fourth day of the term following the verdict in the superior courts—the second day of term in county court cases—unless the judge makes an order for immediate execution. The sheriff is bound to return writs at any time after demand in writing. In division courts bailiff must return writ within thirty days, unless plaintiff authorises him to renew writ for thirty days longer, and so from time to time. Writs in county and superior courts are good for one year from date, and may be renewed from year to year. Lands cannot be sold under execution until after expiration of a year from date of issue of execution. Executions cannot be stayed as a general rule, except on applications for new trial. Executions against lands bind lands of debtor in county in which issued from date of being placed in sheriff's hands, without being registered. This in superior and county court cases. Judgments in division courts for amounts exceeding \$40 may be made judgments of the county court. and executions thereon issued against lands.
